(Extracts from Safran Helicopter Engines General Sales Conditions)**1 GENERAL**

The purpose of these General Sales Conditions is to define the conditions applicable to the sale of Goods and/or to the supply of Services by Safran Helicopter Engines. They are applicable in their entirety to Contracts and Orders concerning the sale of Goods and/or the supply of Services by Safran Helicopter Engines : - excluding any other general or specific Customer purchasing conditions, unless otherwise specified in writing beforehand and accepted by Safran Helicopter Engines ; unless there are provisions to the contrary in said Contract or Order. Any Order placed by the Customer carries his acceptance of these General Sales Conditions without reservation.

2 PRICES

- Prices are in USD. The prices that appear in the Catalogue apply to all Orders that are accepted by Safran Helicopter Engines as of January 1st and for which the delivery date of the Goods or date of supply of the Services is expected within twelve (12) months of the date of acknowledgement of receipt of said Order by Safran Helicopter Engines.

Safran Helicopter Engines guarantees the validity of the Price list Catalogue from January 1st to June 30th and reserves the right to modify the prices for Orders for which receipt is acknowledged between July 1st and December 31st.

3 DELIVERY

Delivery will be deemed complete when Goods are made available according to applicable INCOTERMS 2010, at such time and under such conditions as have been agreed by the Parties. Unless otherwise stated in the Order or the Contract, the Goods are delivered FCA - Safran Helicopter Engines Plant (ICC Incoterms 2010). All Goods returned by the Customer must be delivered in the original packaging or box in which they were delivered by Safran Helicopter Engines to the Customer and according to the Technical Documentation.

4 AUTHORIZATION/EXPORT LICENSE

If the supply of Customer Goods within the framework of the Contract or an Order requires export licenses or authorizations to be obtained, the Customer will perform all the necessary steps with the relevant government authorities in order to comply with export control regulations. In addition, the Customer undertakes to:

- Not assign or otherwise dispose of the Goods outside the territory to which they were shipped and for which the final use was defined on the Order or Contract without first obtaining written consent from Safran Helicopter Engines and/or the relevant Authorities in particular from the American authorities in the case of goods of US origin pursuant to American ITAR (International Traffic in Arms Regulations: war materials) and/or EAR (Export Administration Regulation : double use goods) regulations.

5 TERMS OF PAYMENT

Unless there is a specific provision in the contract or in the acknowledgement of receipt of the Order, and without prejudice to the provisions of article 3, the Customer will pay Safran Helicopter Engines a down payment of thirty percent (30%) of the amount of the Order, which is payable within thirty (30) days following the issue of the acknowledgement of receipt of the Order. The remaining balance, which is seventy percent (70%), will be paid to Safran Helicopter Engines by the Customer within the thirty (30) days that follow the date of the invoice.

6 LATE PAYMENT

In the event that payment is not received in full on the agreed due date, the Customer will be subject to a penalty for late fulfillment of payment of fifteen percent (15%) per year that is calculated on the basis of the total amount (including taxes) of the invoice, to be counted from the date of payment indicated on the invoice until full payment of the invoice is made. In addition, the invoice amount or that of the unpaid sum will be increased by a fixed amount of fifteen percent (15%), which corresponds to the expenses incurred as a result of this late payment.

7 RETENTION OF TITLE

Safran Helicopter Engines retains ownership of the delivered Goods until the corresponding main price and its accessories have been fully paid and received by Safran Helicopter Engines in accordance with Clause 5 "Payment" of the GSC's, as stipulated in the Contract or Order.

8 WARRANTY

All delivered Goods designed and manufactured by Safran Helicopter Engines are guaranteed to be free from defects in materials, design and manufacturing, and compliant with the Order or under the specific warranty conditions drawn up for each family of products and appended to the Order or Contract.

9 CONTRACTUAL LIABILITY

Safran Helicopter Engines' liability for any claim(s) arising out of or in connection with the performance, non performance or defective performance of an Order or the Contract shall be strictly limited to the compensation of direct damages which compensation shall not exceed the limit of five percent (5%) of the amount invoiced under an Order for all claims arising under such Order subject to an aggregate limit of five percent (5%) of the total amount invoiced under the contract for all claims arising under such contract. The provisions of this clause constitute the Customer's sole rights and remedies and Safran Helicopter Engines' sole liability.

10 GOVERNING LAW

The terms and conditions shall be interpreted in accordance with and governed by the laws of Quebec, Canada for goods delivered by Safran Helicopter Engines Canada Inc., without regard to its choice of law rules. The parties hereto agree that any controversy with respect to performance under the terms of the terms and conditions, or arising out of the terms and conditions will be submitted to the courts of Montreal, according to the applicable law, which shall be the only competent courts in the case of legal dispute, including in the event of impleader and/or plural defendants.

1. This certificate does not automatically constitute authority to install the item(s).
Ce document ne constitue pas forcément l'autorisation d'installer le (les) item(s).
 2. Where the user / installer performs work in accordance with regulations of an Airworthiness Authority different from the Airworthiness Authority specified in block 1:
Quand l'utilisateur / installateur travaille selon les réglementations d'une autorité de navigabilité différente de l'autorité de navigabilité mentionnée dans la case 1, il est essentiel que l'utilisateur / installateur s'assure que son autorité de navigabilité accepte les items libérés par l'autorité de navigabilité mentionnée dans la case 1.
 3. Statements in blocks 13a and 14a do not constitute installation certification. In all cases aircraft maintenance records must contain an installation certification issued in accordance with the national regulations by the user / installer before the aircraft may be flown.
Les indications portées en cases 13a et 14a ne constituent pas une certification de montage. Dans tous les cas le dossier d'entretien de l'aéronef doit contenir une certification d'installation délivrée conformément aux règlements nationaux par l'utilisateur/installateur avant que l'aéronef puisse voler.
